

Service Delays

Due to Hurricanes Nate, Maria, Irma & Harvey

If you are placing a transcript order or verifying a degree, please be aware that institutions located in areas impacted by Hurricanes Nate, Irma and Harvey may experience delays processing transcript requests and responding to DegreeVerify requests that require research in collaboration with impacted institutions. **You can expect delays for institutions impacted by Hurricane Maria.**

The Clearinghouse is actively communicating with impacted institutions and will update you as the situation evolves.

You can also check the school's website for closure information.
